### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: 11-29 and 31 are pending. The rejection under 35 USC 112, 1<sup>st</sup> paragraph, has been dropped as the claims have been canceled.

The novelty resides in the carbonate group, -O(CO)O, attached as variable R10. The prior art neither teaches nor suggests the claimed taxane derivatives or their use. Taxane compounds are known to be useful to treat several types of tumors such as breast, non-small cell lung. Thus the claimed compounds would be expected to have the same utility as structurally similar compounds are expected to have similar properties. The closest prior art was USP 6,660,866 B2 for which a terminal disclaimer has been filed and accepted.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Amelia A. Owens whose telephone number is 571-272-0690. The examiner can normally be reached on Monday - Friday from 8:30 - 5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cecilia Tsang can be reached on 571-272-0562. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
